#### ASLEEP AT THE SWITCH

and it is surpressing that it trial or with a neuron response. in this is it here upon the we-

no whenex of his nown

A merificaruligaed against a learnlarge of lowyers who must have underly the raditional's petition will we fur. The question now is is the late to remedy the wrong HE SELECTION OF THE RESERVE OF THE RESERVE OF THE PARTY full the world that we are not all camp with voyates rambling give at My firm conviction is the is campitronhe cars be averted in is way. In the absence of a comerelal or Repary club, conlin't we menet on the local Judge of Elka t art this agitation which will deand and received a hearing from commission" This lodge has past entered into deals an opositions which pertained to the

the interest with good results It is usking too much to expecmilicidual to start and shoulds he work and expense inthehed a his undertaking, but I am positive test the financial mesistance wont as immediately forthcoming to dmy the expense of sending a comnittee to Carson to appear before he commission, armed with concluive argument against this disconinnance-and this argument is the uslest part of it, as there is also utely no valid reason for the

eventh train being cut off. If the Elks will start the ball rollng I am sure we will again have; he Sunday train restored and our usiness will become normal much oner than with the hampered servce offered.

Respectfully. MARK G. BRADSHAW

Of course you will be present at he Airdome tonight to participate in that dance. Fine music promised.
